

Unlock 3 & FREE NSa Promotion

Get the Best in Network Security
at an Unbeatable Price

Unlock 3 & FREE promotion on select NSa firewalls.

With the purchase of 3 year EPSS and a High Availability unit, you'll get the primary firewall free!

Maximize your savings when you upgrade your current SonicWall or competitive firewall deployment. If you are purchasing a High Availability (HA) firewall, now is your chance to unlock the 3 & FREE promotion by bundling it with 3 years of Essential Protection Service Suite (EPSS) and getting a primary next-generation NSa firewall appliance for free!

SonicWall is a recognized leader in security efficacy with our award-winning Essential Protection Service Suite. SonicWall does not charge to license security services on your HA unit which reinforces what you already know -- SonicWall's TCO and security efficacy are second to none.

How to unlock the NSa 3 & FREE promotion:

- Purchase a High Availability (HA) firewall unit
- Bundle with the purchase of 3 years Essential Protection Service Suite (EPSS)
- Get a FREE primary firewall
